JUNE 2021

PISTOL SHOOT

Monday night Pistol practice starts Monday June 7, 2021 5pm and will run through August.

With the shortage of ammo I am going to have some dryfire laser training practice. I have an assortment of lasers to fit most makes and calibers (9mm, 40,45 & .380). We can all download a free app on our phones. We can use our regular targets and set up our phones on the target. We will still use our regular range whenever we choose.

There are some extra cost to the lasers but in the long run it should be much cheaper than buying ammo all summer. We will be charging \$20.00 for the first time out and still only \$5.00 per night for the remaining weeks.

I am hoping everyone likes this type of practice and many of you will probably be ordering one for yourself. It's an excellent way to practice in your home also.

Thank you

Rob Pinskey
